THIS NEW FAX MACHINE IS IDEAL FOR PROFESSIONAL WORKERS AND SMALL OFFICES ALIKE. THE OFX 9000, A COMPACT BUT NONETHELESS PROFESSIONAL PRODUCT, DELIVERS OUTSTANDING SPEED AND QUALITY: THE 33.6-KBPS SUPER G3 MODEM TRANSMITS AN A4 PAGE IN A STAGGERING 3 SECONDS WHILE ITS 10-PPM PRINT ENGINE CAN TRANSFORM IT INTO A FAST, HANDY COPIER. THE OFX 9000 IS IDEAL FOR ALL THOSE WHO NEED A ROBUST FAX MACHINE, ABLE TO HANDLE LARGE VOLUMES OF WORK, BUT WHICH SITS COMFORTABLY ON A DESK.*

OFX 9000

maximum ease of operation guaranteed by function-dedicated keys and a 2-line LCD display

250-sheet paper capacity and 20-page original document feeder

TO SERVE AND PROTECT

The Olivetti OFX 9000 uses a powerful 33,600-bps modem able to send a page in just 3 seconds and is equipped with a 10-ppm laser engine.

Advanced functions range from password-protected fax reception to the locking of the entire keyboard or the numeric keypad to prevent unauthorised use; access to documents from remote appliances and the preparation of documents to be accessed (polling); multi-station and deferred transmission; fax reception time and date stamp for added convenience.

With these benchmark features, the OFX 9000 is the ideal fax machine for small offices and professional workers.

WITH VISION COMES CLARITY

With its simple, user-friendly operating panel and generous 2-line, 16-character LCD display, the Olivetti OFX 9000 is extremely easy to use, permits the fast writing and reading of messages and promotes smooth operation.

The handy alphanumeric keypad can be used to type texts from the keyboard and combined in 10 groups for broadcast transmission. The standard flash memory can be used to save up to 120 pages with back-up for an unrestricted period of time.

NOT JUST A PRETTY FAX

The Olivetti OFX 9000 is also a desktop

copier able to provide all the capabilities required by a small office, by delivering a speed of up to 10 copies per minute, a 25% to 400% zoom function and a multi-copy feature that makes it possible to obtain up to 99 copies of a single original with a single scan.

The 250-sheet tray guarantees a generous paper reserve and the original document feeder can hold up to 20 pages.

THE FINAL WORD

The Olivetti OFX 9000 is the ideal laser technology fax machine for users wishing to combine the reception/transmission of documents and communication of short text messages, *where the service is offered by local network providers.

In addition to being able to save up to 30 text messages, the OFX 9000 can transmit messages up to 640-characters long that can be sent as short text messages, e-mail or fax messages to up to 10 addresses. Incoming SMS can be printed automatically or saved and printed later. It is, therefore, possible to send short, useful messages to customers or colleagues, preserving the immediate impact of a phone call but guaranteeing a written trace of your message and also reducing your phone bill, the message is clear: the Olivetti OFX 9000 is the right solution for you.
